

Pathfinder Defense Energetics is a recognized leading provider of products, services and training for federal, state and local law enforcement agencies, military units and commercial blasting. We conduct mobile training courses for military units and first responders of all levels. We prepare military and first responder personnel to protect their country and communities through products, training, services and relationships that together are available nowhere else. We can help with demolition and commercial blasting design and training. Pathfinder Defense Energetics provides clients with an extensive selection of products (energetic materials (RDX, HMX, PETN, TNT, Semtex, C4, electric and non-electric initiators, blasting chord, linear shape charges, etc.), ammunition (standard and armor piercing) firearms (title 1 and 2, ordnance (explosive projectiles, loitering munitions); services (explosive sales, specialized transportation, consulting) and training (HME, explosive entry, IEDs, EOD, demining and more). We hold several Federal Firearms Licenses and Federal Explosives Licenses, (FFL: 7, 8, 10, 11; SOT: 2, 1, 2, 1; FEL 20, 23). We are a registered USMIL Importer and exporter of firearms, ammunition, destructive devices, explosives, implements of war. We have you covered no matter if you work for a local department, in a mine or are a war fighter abroad we have a solution for your needs.
